Solid Brass Pendant Light

## This hanging 12V twinkler light is the perfect addition for stylish task & ambient lighting.

This durable fixture is constructed of solid red brass offering superior strength and reliability.

Whether you're lighting a pergola, entryway, seating area, or an outdoor kitchen & dining area, Claire is designed to provide stylish task and ambient lighting. Use single fixtures to highlight smaller features in your outdoor space, or hang them in multiples for brighter lighting in larger areas such as above an outdoor kitchen workspace, bar or dining table.

This mini pendant's simple design, clean lines and warm brass finish blend naturally with both modern and classic outdoor environments. Claire will be the jewel of your outdoor living space, casting beautiful shimmering light from its subtly perforated shade.

For your convenience, this hanging 12V pendant is easily adjustable to two different heights depending on the desired look and application.

Claire uses an energy efficient MR11 lamp to achieve a soft, warm light and includes 2' of 18/2 UL-rated wire.
