

SYMPHONY ~ Haydn

Hardscape Integrated LED Luminaires

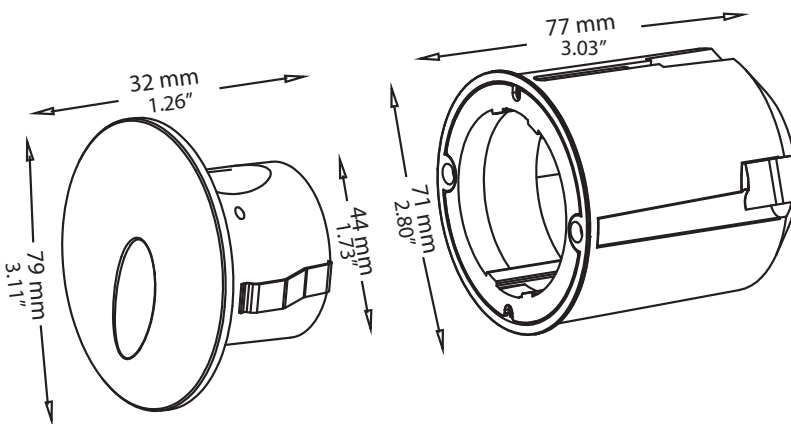

Add harmony to your outdoor living space with Haydn Hardscape Luminaires.

Haydn is a 45° directional, recessed, integrated LED luminaire which casts a subtle warm white light. This small round fixture features a stainless steel finish.

Haydn LEDs have a minimum illumination of 1 meter (3 feet) and include an ABS sleeve with anchor bolts to assist in installation and anchoring of the luminaire body.

These durable and versatile luminaires can be used to illuminate borders, low walls, steps, sunken seating areas, or pathways along hardscape walls.

Luminaire Mounting

Haydn can be installed in concrete, natural stone, pavers, brick, and wood. The ABS pour sleeve can be positioned and wired before installing the LED body.

2 YEAR Warranty
