

# OPUS MINI

Symphony Luminaires

## Solid Brass Directional Mini In-Grade Luminaire

The Illumicare Opus Mini directional fixture includes adjustable *Brass Mount* and *Brass Spike*, allowing flexibility while precisely directing light on desired focal point.

This compact fixture allows you to spotlight specific areas with precision, illuminating specific landscape elements, architectural details including planters, small shrubs or arbor, creating a warm ambiance your outdoor living space. Opus comes with a Honeycomb Louver to reduce glare, along with Clear and Frosted lens options. Also includes three optics: 15°, 35° and 60°.

Crafted from solid brass for durability and resistance to corrosion, the Opus Mini will maintain its lustrous appearance. The adjustable design and diminutive size ensures clean and unobtrusive usage, while the solid brass construction ensures minimal maintenance.
